

Assyrian Aid Society – Iraq (AAS-I)

Activities Report 2005

| | |
|-------------------------|--|
| DEPARTMENT | Relief & Aid |
| PROJECT | Relief program for refugees & needy families |
| CURRENT PROGRESS | <p>*Because of the bad security conditions in the big cities like Baghdad and Mosul, hundred of families left there homes to the north villages and towns seeking security & peace, living with their mostly poor relatives and friends. It was our humanitarian duty to support them when they were in need to any type of support. We prepared ourselves to implement a relief program to cover some of their basic needs. The program included distributing food materials, blankets, and fuel for heating in Sapna, Zakho, Barwaribala area, and Duhok city center. It's very important to mention that our society is in continuance in this program and the number of the families is increasing. * We had another similar program for resettling families coming from Baghdad, Musol, Duhok and other big cities to resettle in their original villages. Our program included, providing tents, blankets, basic food materials, agricultural tools, basic home needs in Fishkhabor, Derabon, Shiranish villages in Zakho area, Sardashti, Malakhta, Aqri, Khwari and Kanbalavi in Barwaribala area, Tin and Benatha in Sapna area, and Heish in Rekan area.</p> <p>*We are in continues in our relief program for needy and refugees families including distributing basic food materials from our main office in Duhok city center.</p> <p>*Our society presents different types of aids to needy families in different areas, according to applications presented to our society.</p> <p>*Supporting families of terrorist victims in a special program in Baghdad, Kirkuk, Musol (Nineveh Plan), Erbil and Duhok.</p> |
